

OneNB—The One Nikkei Business—

The business magazine with
the largest circulation and the
business online media with the
largest registered users in Japan.

OneNB

—The One Nikkei Business—

Through Nikkei ID, taking advantage of their respective characteristics, **Nikkei Business** and **Nikkei Business Online Edition** have been integrated into “One NB.” We provide rigorously selected information to a wide-ranging readership including top management, managers, and young businesspersons and students who will shoulder the next generation.

190,000
copies

2016 (Jan.–Dec)
ABC Circulation: 190,918 copies

A “reliable source of information” that collects its information on-site to reach the core of management and work. The highest number of ongoing readers for a weekly business publication over 26 consecutive years.

Core users
Aprox. **78,000**
person

2.56
million users

As of Oct. 2018
2,558,902 registered users

Among online media operated by Japanese business magazine publishers, we have the largest number of registered users and, with the speed of online delivery, supply accurate information to managers and business leaders involved in decision making.

Communicating information that includes both ON and OFF scenarios, regardless of age and position.

Percentage of readers within target zone

65.2% of executives at major companies (with over 1,000 employees), and 46.1% of division managers read either **Nikkei Business** or **Nikkei Business Online Edition**.

Employees at major companies (over 1,000 employees) executives

Employees at major companies (over 1,000 employees) division manager level

From BBMR (BtoB Marketing Report: Media Contact Survey) of Nikkei Research Inc. Survey time frame: August 2017; Survey target: Male and female employees aged 25 to 59, working in private companies with over 30 employees

 <p>Managers 50s to 60s Executives</p>	<p>ON</p>  <p>Take the time to read thoroughly through Nikkei Business delivered to the office or home, as a tool for steering one's own company</p>	<p>OFF</p>  <p>Investment activities, such as stocks</p>
